Please provide an **estimated** production timeline for the stage of development you are asking VicScreen to help fund, roughly indicating expected milestones. We understand dates can change and shift, so don't feel that these need to be perfect.

First Milestone - Commencement of funded work / contract signed

Let's start with your first milestone! This is the date you will start the work if it gets funded, which will be from the date the funding is contracted. Why? Because VicScreen cannot fund work that has already happened, it needs to commence after the contract is signed.

We expect the contract to be signed three months after the application submission, however feel free to amend to a date that works for your project.

Now please list the next development milestones in your timeline for this stage, including the expected completion date for this stage of work.
